## Goals as Aleph Moreh

- Full Chapter by the end of the year. 45+ Members who are dedicated and care about the chapter.
- Have a Well thought out Education Program Every Month. Education is very important in BBYO so every month; there should be some type of education program.
- Keep a very well organized Platform Binder. The Platform Binder should be very large by the end of the year. It should be filled with platforms for every position.
- AIT Sleepovers and Functions. I would like to plan special functions and sleepovers just for AIT's. They are the future of our chapter and they need to know what the chapter is all about.
- AIT Board. I would like to establish an AIT Board. The AIT's will run for the position they want and learn about BBYO in a hands on way.

## Sample Education Programs

- Where in the World is AZA? Take a journey around the world as we travel to the many locations of AZA.
- Swap The Moreh/MIT Mom. In this program, our chapter would pair up with a BBG chapter. Their MIT Mom would teach Fisher about BBG and the Moreh would teach the BBG's about AZA.
- Grade Level Sleepovers. There would be 3 sleepovers in the year. Each would only be for a certain grade, Sophomores, Juniors, and Seniors. Freshman will already have AIT sleepovers.
