My Brother Alephs,

As we are moving into our 87th year of existence we must continue to take strides in bettering this worldwide movement. We have no time to rest on our achievements but we must use the momentum and take leaps forward. I do not pledge to fix every problem single-handedly but together as one body, the Aleph Zadik Aleph will flourish. I do pledge to work hard for every single Aleph in this Order and pave a bright future for years to come. The opportunities for this order lay with you.

*Fraternally Submitted With Undying love for the Grand Order of the Aleph Zadik Aleph,
I Remain,*

Will Canning
