My Brother Alephs,

When we work enthusiastically on service projects, we make a difference in our Jewish community and we improve ourselves and the amazing reputation associated with Fisher AZA. Judaism is the unifying fold of AZA, and I want the chance to expand the chapter's understanding of what it means to be Jewish. We have the chance to be leaders in the community. All it takes is the will to help others, the commitment to see the project through, and the desire to make a difference.

Fraternally submitted with undying love for Max Fisher AZA #337, I remain

Ideas for Community Service

- Try to get at least 50% chapter attendance at events
- Increase involvement with existing community service opportunities like J-Serve and the Oak Park JCC Fall Fix-Up
- Offer other opportunities to do community service at places like: Yad Ezra, Relay for Life, Bookstock, and the Jewish War Veterans
- Do year round StandUp service
- Collect books for schools in Detroit

Ideas for Chapter StandUp Cause

- Coordinate with StandUp organization to see what community service we can do for them
- Tie chapter StandUp cause to a Jewish value and build a program around that value
- Work with Gizbor to continue donation tradition at Regional Convention

Ideas for Social Action

- Advocate for StandUp cause
- Advocate for Israel by:
Participating in the Walk for Israel
Attending rallies to support Israel
- Increase attendance at local advocacy events like the Walk for Friendship
