My Brother Alephs,

Judism is what brings us together. As a chapter, we do so many cool events and functions, but as chapter Shaliach I will bring Fisher's community service to new heights. I am very well connected throughout the community which will enable me to help organize a variety of events. As a very involved member of my synagogue, I participate in numerous activities. Judaism is a very important part of my life, and as Shaliach I know that I can enable you to enjoy it as much as I do.

Fraternaly submitted with undying love for Max Fisher AZA #337, Tony the Tiger, Michigan Region GLC, and the International Order, I remain,

Seth Betman
