Passion is what will make this programs stay strong. Without your passion guys these programs will be weak. None of these programs will have true potential and meaning if this chapter Max Fisher AZA # 337 doesn't have passion for these programs. Guys as a chapter we need to commit to these Jewish and Community service programs as a whole so we can seize as much as possible from these programs. I am here committed to ensure a great future for Fisher so that our chapter will be strong forever. Now as you get ready to vote think about what I have said and pick the shaliach that you think will do the best. Just while your thinking about whose name to write on the ballot think about the words I have said in my speech as I think they will inspire you to choose the shaliach choice as it effects our chapter's future. Now I hope you realize that to make these programs amazing we all need to work together.

Faternally Submitted with unedifying love for Max Fisher AZA # 337, Tony the Tiger, My great grandfather Max Fisher, and Michigan Region GLC I remain,
