There are two ways to live life: you can live as if nothing is a miracle: you can live as if everything is a miracle.

My Brother Alephs,

As we begin our new programming year we will overcome new obstacles and make Fisher history. Not even a month ago we made Fisher history by ratifying our constitution.

With the future in our thoughts, let's realize our goals, and make sure they get accomplished. We cannot let changes that occur in our lives get the best of us.

We need to keep writing the history of Max Fisher AZA #337. We need to make sure Fisher grows and becomes what our founding fathers hoped it would be. If we set our minds to it we will be able to accomplish it.

We are Max Fisher AZA

Fraternally submitted with undying love for Max Fisher AZA #337

I remain,

Stephen Lipshaw

Ideas

- Have education programs that focus on Max Fisher AZA #337, or Judaism by playing cool game shows such as Jeopardy, Family feud, and Who Wants to be a Millionaire.
- Have one night, just the AITs, at someone's house where we will bond, have fun, learn about their positions, and much more..
- One night we, as a chapter will come together and learn about BBYO but with athletic and trivia events.
- Have a big program at Zap Zone or Joe Dumars Field House where people can socialize, have a blast, and meet new people.
- Advertise the program thoroughly through members, Facebook, E-mail, and Twitter.
- Make sure to contact the prospective members so they know about the dates of our functions.

"Don't ask what the world needs. Ask what makes you come alive, and go do it. Because what the world needs is people who have come alive."

- Howard Thurman

Goals

- Have the AITs get more out of being an AIT than just a title. By having them spend sometime with the member who holds that position.
- Teach freshman about principles, history, traditions, rituals, folds, and policies of BBYO.
- Use Big Bro Little Bro.
- Have AIT meetings once a month.
- Have a full chapter by April 1st.
- Make sure that the freshman are feeling comfortable in the chapter.
- Involve the AITs more.
- If someone has not been at a function in a while call them to see if they are ok and that they feel comfortable in the chapter.
