

I Remain Aleph Joshua Blake Morof

My Brother Alephs, the past two years have been the most amazing of my life. After attending CLTC last summer, I was inspired to go out and make a difference in my chapter, my region... my home. Whether it was planning community service and Stand Up! programs for my chapter or teaching an amazing group of AIT's and MIT's at YLC, I have felt a need to give back to an organization that has already given me so much. As your Regional Aleph Shaliach, I will work harder than ever before to focus my inspiration not only on improving regional programming, but also on the role of the Shaliach in our chapters. My goal is to drastically increase the responsibilities of the chapter Shaliach, involving them more in programming than ever before. Lastly, with a new Stand Up! cause chosen by you, we will raise more money, do more community service, and advocate even more for Stand Up! throughout the entire programming year. We all care about something, whether it's world hunger, poverty, or global warming. As one region working to together, we can truly make an impact on the lives of others. This is our chance to leave a mark not just on BBYO, but on the world. WITH UNDYING LOVE FOR TONY THE TIGER, THE PILLSBURY DOUGH BOY, YLC 2010, AND EVERYTHING BBYO...
