My Brother Alephs, as I come here in hopes of becoming the 87th Regional Shaliach for the 2011-2012 year, I am ready for the challenge. Even though my past leadership positions are scarce, my passion and drive will carry me. This legacy in BBYO is something very close to me. It is something that has been passed down in my family. Now I must take it and run with it. I have witnessed the scarce amount of community service from chapters and the lack of Judaic Programs within the region. I want to take on the challenge of increasing community service hours in this region and plan Judaic programs for this region through experiences I have made through attending Kallah. Although most chapters don't take community service and Judaic programming for what it should be, I wish to make that a change this year and show that community service and Judaic programming can not only be fun, but educational and give one a good feeling in the end. With leaders emerging all around, this region can uncover what it means to be an Aleph, a sister BGG, and a member of BBYO. I know that I can make a difference in this region, and I need the opportunity to do so. This passion and stride that I feel when I am up here speaking to you gives me the power to make a change for the better in this region. There is no better opportunity to share my burning passion for BBYO than being Regional Shaliach for the 2011-2012 year.

Fraternally submitted with undying love for Evan Shapiro AZA #313, Michigan Region GLC and the Aleph Zadik Aleph, I remain Aleph Maxx Kyle Achtman
