-Set goals and plans for Regions to follow throughout their programming year

-Work with Stand Up committee and J-Serve Committee to keep our Stand Up initiative growing as well as our J-Serve Project.

Summer Experiences

-Using my experience at Kallah to plan a International Kallah that institutes the pluralistic values BBYO stands for and to help Jewish teens to find their own unique Jewish way of life through traditions and customs they want to follow.

-Provide Impact participants with Strong and Empowering Coordinators to insure a meaningful experience

Counterparts

-Work closely with my counterparts to improve or expand Judaic and Social action aspects in their Regions

-Work with Hubs and create spaces for them to work together on inter-regional programs or events

-Encourage Counterparts to work closely with their counterparts to provide them with help on implementing their goals

Globalization

-Connect Jewish teens across the world to learn different Cultures and Traditions

Speak Up

-Using today's technology to virtually get teens to experience Israel, especially if they can not afford it.

-Push Israeli Awareness and Pro Israeli rallies

-Promote a BBYO presence in Capital Hill to insist on keeping American/Israeli Ties

Judaic values

-Work with the Grand S'gan to improve Judaic programming throughout the Order

-Revitalize AZA Shabbat and insist on Regions/Councils having multiple Shabbats throughout the programming year.

-Work closely with the Judaic Content Committee, D'var Torah Committee, and other Judaic committees to preserve and instill our Jewish heritage and traditions in to BBYO

Other Organizations

-Work together with other Jewish teen organizations to strengthen the Jewish teen presence in today's society (Coalition of Jewish Teen Leaders)

-Reach out to other religions' teen organizations to form relationships with them to achieve one common goal (Fight Against World Hunger, Fight Against Cancer)
