My Brother Alephs,

With my skills in math and my creative ideas, I feel that I can keep up the incredible charity and fundraising activities that Fisher has established throughout the years. Money is essential for the well-being and survival of the chapter, and that is why I want to serve in this position—to ensure that Fisher continues to do great things. I love this chapter and what it has done for me. Give me the chance to give back.

Fraternally submitted,

Brett Rubenfire
