Executive Board Meetings	2010
Fisher-Savage Spring Bittker	2010
ETC 2010*	2010
CLTC 7*	2010

*Denotes will be attending

"FUN"raising!

- "Fun" raising is a great improvement to our already awesome fundraising system. "Fun" raisers will still be able to raise a reasonable amount of money, but part of the fun is that some of the fundraisers in which it's harder to get people excited about will get a little more entertaining. For example, because the restaurant fundraisers, up until this point, have entailed just going to the restaurant and eating dinner, we might do a few in which all the fishermen who want to go have a second option where we meet up at someone's house and all go together. We'll make the same amount of money, but in addition to being able to go to the restaurant on your own, you can also have a fun evening with your chapter.
- "Fun" raising isn't just about making the fundraisers entertaining, but also about getting the chapter excited for them. A lot of hard work and great ideas have been culminating over our years as a chapter to produce the great system we have now. "Fun" raising will only make it better, and continue its evolution as has happened up until now. I plan to completely step up the way we advertise Fisher's fundraisers, with not only continuing to make flyers attached to the Monday e-mail and fundraiser Facebook groups, but to also increase the way we advertise them to other chapters.

Ways to Save Money that are GRReat!

- ❖ Continue encouraging the Fisher Scoop to be sent to everyone in a PDF so as to save paper.
- ❖ Look for discounts on things needed for larger chapter events: R.C., C.C, and maybe even Bittker!
- ❖ Maintain Empty "UR" Pockets- A small contribution from most, if not all fishermen at meetings can add up to a lot.
- ❖ Make sure that the account is stable. If we monitor the amount we spend at a time, there will always be funds for the next thing that's planned.
- ❖ Possibly work with the S'gan to raise a bit of money every once in a while during a program. Not a full fundraiser, but still helps fund Fisher AZA!

Other important Goals as Gizbor

- ✓ Put together a flexible, reasonable budget within the first or second Exec. Board Meeting
- ✓ Continue the summer program scholarship fund, so that it won't be a problem for any of our fishermen to attend summer programs.
- ✓ Keep the checkbook regularly balanced and updated.

My Brother Alephs,

All I ask of you this election is to make the right choice. Pick the best Gizbor candidate and illuminate a bright future for Fisher, so we can continue our legacy even after our seniors are gone.

Fraternally submitted with undying love for Max Fisher AZA #337, Michigan Region GLC, Tony the Tiger and the Pillsbury Dough Boy, I remain,

Aleph Ian Avram Zaback
