"All Riches have their origin in the mind, wealth is in ideas not money"~Robert Collier

Past Regional Fundraising Issues:

- Rising cost of conclaves and conventions
- Lack of creative fundraising has led to a shortage of funds
- Participation in fundraising which includes but not limited to fundraising events as well as raffles at Council Meetings
- Regional Gizborim involvement in helping with chapter fundraising has been minimal
- Regional Gizbor and Gizborit lack of communication has led to few fundraisers

GOALS:

- Have Regional Bank Roll up 50% through CREATIVE and CONSISTENT fundraising.
- Have a vote for Regional Stand Up! Fund instead of arbitrarily choosing one.
- Maintain constant contact with all chapter Cixhorim to ensure the success of all chapters economically.
- Help the chapters with their personal Stand Up! fundraisers by going to a chapter meeting early in the year and explaining what Stand Up! is about.
- Have a minimum of 1 fundraiser a month.
- Work with BBO's counterpart in order to maintain fundraising through the region.
- Cut down the price of Conclaves to \$60 maximum.
- Raise \$12,000 to donate to charity between AZA and BBO.
- Have more diverse and creative apparel to sell at JC Shuk.

FUNDRAISING IDEAS:

- Regional Shuk at RC
Sell chapter apparel as well as other items within the region and 10% of the profit going to Stand Up! Conclaves, 5% going to the region and the remaining profit going to chapters.
- Wake-a-Jon! THE ULTIMATE FUNDRAISER!
An event held at the KC in which there will be several athletic activities that participants would be able to participate in. People would pledge money for the hours that they play. Also there could be food and water sales that will go to the region and then the Stand Up! fund.
- Regional Dance
Held at Club 100 and a donation will be made to the dance as well as water and food sells inside. T-shirts may also be sold as well.
- Penny Wars
Penny Wars has been held at RC for the past 2 years and has been very successful. Next year it should be a chapter competition as it was 2 years ago and it was allowed with KC point implications.
- Council Meeting Raffles
Lack of donations in the Council Meeting raffles has been a problem due to the fact that items that are available to win are lacking in creativity and quality.
- KC Song, Cheer, and Talent Show DVD
Everyone wants to see themselves and their chapter performing their song, cheer, and talent show as well as other chapters' performances. Therefore a DVD would be very profitable.

My brother alephs,
Fundraising is a vital and important aspect in our success as a region. And I wish to further our great regions success. I bring to the table a fresh mind and a hardworking attitude. I will strive to address all of our issues, and make sure that money is never an issue for our region. Also I will make sure that our Stand Up! Fund is kept at a healthy amount. I want to leave this region knowing that we will have a bright future and a stable regional fund. I would also like to make sure that the price of conclaves and conventions drops not only for next year but for years to come. I realize that my amount of positions held may be scarce, but I am ready and willing to accept this leadership role. With Undying love for Evan Shapiro AZA #313, The International order of the aleph zadik aleph, and my heart and home Michigan Region #63 I remain aleph Maxwell Elán Rosen
