### Stand Up!

- ⌘ Include everyone in Michigan Region when taking ideas for our Stand Up! Fund.
- ⌘ Narrow it down to a few of the best, most helpful charities, then find out more about them, researching things such as how our donation is helping the most people possible.
- ⌘ Once a charity is chosen, become active supporters and contributors to their cause and find out how BBYO can help besides donating.

### Fundraising

- ⌘ Brainstorm and have two large regional fundraisers, one pre-RC and one post-RC.
- ⌘ Have one or more open-mic nights, depending on the first's success.
- ⌘ Continue penny wars during RC.
- ⌘ Continue to hold raffles at every council meeting, and get donated prizes that people will actually want to win.
- ⌘ Encourage BBYO and individual chapters to participate in our chosen Stand Up! charity's own events.
- ⌘ Always be approachable and open to any ideas for new fundraisers.
- ⌘ An end of year charity dance if interest is shown from members.

### Regional Board Member Responsibilities

- ⌘ Be an active member of Executive Board, by attending all meetings and regional events.
- ⌘ Work closely with my BBG counterpart, Jared and everyone in the BBYO Office, and with the rest of Regional Board.
- ⌘ Get to know each chapter Gizbor, offer help and check in often to see how chapter fundraising is going.
- ⌘ Additionally be active in helping with chapter Stand Up!
- ⌘ Attend and encourage everyone to attend other chapter's fundraisers as much as possible.

*My Brother Alephs,*

*The position of Regional Aleph Gizbor is crucial to the Region's success, monetarily and in general. If elected, I may be the person with the title, but fundraising and Stand Up! will be the responsibility of the entire region. I will do everything possible to increase Michigan Region's profits, but we members truly decide how profitable we are. As Regional Aleph Gizbor I will make sure all of your efforts are not wasted, but used to benefit the region in every way. Through this philosophy and taking charge, we can have the most rewarding year in BBYO yet.*

*With an ever undying love for Al Jolson AZA #317 and Michigan Region,  
I remain*
