My Brother Alephs,

Mazkir is a position of importance for multiple reasons. First off, the Mazkir is in charge of recording minutes at Chapter Meetings. Minutes are important because they record details of Chapter Meetings, meaning that if there is ever anything that needs to be looked up again, it can be. It also means that the Regional Mazkir can know what is going on in our meetings, being able to give us advice and help us with problems that come up in the chapter if needed. Another job of Mazkir is to promote summer programs, including CLTC, ILTC, and Kallah. As your Mazkir I will make sure major and minor details of Chapter meetings will be recorded. Also, as listed in my goals list, I will try to get at least 10 Fishermen to attend a summer program. It will be good for the chapter because everybody who goes to a summer program comes back with ideas new to Michigan Region and to Fisher AZA. From what I hear, it is a very good personal experience too. I will stay in contact with our Gadol and the Regional Mazkir to make sure that we are always up to date.

With undying love for  
Max Fisher AZA #337,

## My Goals and Ideas:

- ✚ Get at least 10 people from Fisher AZA to go to a summer program (CLTC, ILCT, Kallah, March of the Living, Israel Trips, etc.)

How: At each meeting, I plan on encouraging summer programs. I will do my part and research each one, so half of the work is done. The other half is up to you guys!

- ✚ Be at all of the Chapter Meetings and Functions

How: Make sure that nothing stands between me and my job as Mazkir (unless it is unavoidable).

- ✚ Be in contact with the Regional Aleph Mazkir

How: After ETC, I will personally go up to him or her and get his/her Email address and phone number so I can stay in contact and get our minutes in.

- ✚ Take detailed minutes at all of the meetings

How: The Most important notes are my top priority, but I will try my best to get small details in too.

- ✚ Turn in my minutes to the Regional Mazkir

How: After I get in touch with the Regional Mazkir (stated above), I will send all of our minutes via Email. With the touch of a button, he/she will have our minutes.

## Other Ideas:

- ✚ Make sure that all of the phone callers are doing their job

How: Hold a small meeting after events to "Kach" up with everyone and make sure that everything is going smoothly.
