Goals and Ideas

- To insure communication to all Fishermen: All Fishermen should know about all ideas and all events and not be left out.
- To create better organization throughout the chapter: No chapter meeting notes and ideas should ever get lost.
- To be better involved in Fisher AZA: I want to attend all meetings and meet every chapter member.
- To come to as many events as I can: The only reasons I would not come to an event would be if I was sick or had too much homework.
- To promote summer events: I would like to have as many chapter members attend summer programs as possible.
- To attend summer events: I would like to try to attend a summer event this year.
- To create a friendly environment for incoming members: All new members should feel welcome when they join our chapter.
- To overall have fun with our chapter: We are all in Fisher because we want to have a good time with friends.
