**JUSTIN SCOTT BRONSTEIN**

**RUNNING FOR THE HIGH AND HONORABLE POSITION OF**

# **ALEPH SOPHER**

**QUALIFICATIONS-** As a fairly new addition to Fisher AZA, I have not had the chance to hold many positions. I am looking to get more involved in AZA. I am a dedicated aleph and Fisherman, have been since joining in January, and will be for life. I have been to many events, including:

☆ Chapter meetings	Max Fisher AZA #337	2009-present
☆ Double Dare Education Function	Max Fisher AZA #337	2009
☆ "I Pledge to Thee" Function	Max Fisher AZA #337	2009
☆ Jewish Heritage Night	Michigan Region GLC	2009
☆ Platform Workshop	Max Fisher AZA #337	2009
☆ Installations*	Max Fisher AZA #337	2009
☆ Holocaust Remembrance Function	Max Fisher AZA #337	2009
☆ J-Serve	Michigan Region GLC	2009

Some other qualifications that I believe come into account are much help from a previous Sopher, I am creative and good with computers, and I am in marching band, which teaches time management and discipline.

## **GOALS as ALEPH SOPHER**

**NEWSPAPER-** As your new Sopher, I would continue the legacy of our previous Sophers in creating quality newspapers that will continue to dominate at RC. In order to do this, I am planning on...

- ☆ Adding at least one new section, possibly including:
  - I. Comics Section/Comic contest
  - II. "Jews in the News"- articles about famous Jews in the real world
- ☆ Have everyone in the chapter submit something to the paper
- ☆ Allow you to edit your own article if it needs editing
- ☆ I will make sure that all articles come in on time\*
  - \*Without being annoying about it ☺
- ☆ Putting the whole newspaper under a tab on the website\*\*
  - \*\* It will be a big change but it will be worth it in the end

"Never tell people how to do things. Tell them what to do and they will surprise you with their ingenuity."  
-George Patton

The rest of my goals and ideas as Aleph Sopher continue on the back page.

"In this world a man must either be an anvil or hammer."

- Henry W. Longfellow

# GOALS CONTINUED

"Try not to become a man of success but a man of value..."

-Albert Einstein

"...and a man with the #1 newspaper in the Michigan region."

-Justin Bronstein

"If your actions inspire others to dream more, learn more, do more and become more, you are a leader."

-John Quincy Adams

**WEBSITE-** As Sopher, I will make sure the website is well-maintained and up to date. As I have already said, one of my ideas was to create an e-newspaper. Some other website ideas of mine are:

- ✧ Reorganize and, eventually, recreate the homepage
- ✧ Add a link to b-linked.org
- ✧ Alphabetize the member list
- ✧ Update after a meeting, no matter what
- ✧ Include the Monday email under a tab
- ✧ Include our constitution under a tab
- ✧ More games for the game page

**MERCHANDISE-** This year, I plan to make sure that all of the Fisher AZA merchandise is what us Fishermen need and want. I would like to have:

- ✧ An improved classic t-shirt\*  
\*Using our old one as a template make a new "Fisher Shirt"
- ✧ Spoof t-shirt – a Fisher-themed t-shirt that copies a popular design already in use
- ✧ Headbands – Replace the beanies
- ✧ Fisher Pencils – Who doesn't need more of those?

**GENERAL- BE THE BEST SOPHER  
THIS CHAPTER HAS EVER SEEN!!**

*My brother Alephs, I hope that you will allow me the opportunity of holding the high and honorable position of Aleph Sopher. If there was but one reason to vote for me, it would be that I have a passion for this position, and I will pour my heart into everything I do. With undying love for Fisher AZA, Tony the Tiger, and the Fisher Scoop, I proudly remain,*

*Aleph Justin Bronstein*
