## My Brother Alephs,

I am very dedicated to my responsibilities and if elected I will try my best to create another 1<sup>st</sup> place newspaper. I have taken two years of journalism and I have outstanding editing skills. I am very open and willing to listen to ideas from anyone at anytime. I will make sure I do not fall behind and will have the newspaper done way before the deadline. I want to make a yearbook or slideshow for the end of the year that displays the great moments of the 2011-2012 year. I want to update our Facebook page and website containing important information. I am hardworking and will try my best if elected as Sophier.

With undying love for Max Fisher AZA #337 I remain aleph Ari Kirschner.

# Goals and Ideas

## Website and other Ideas

### Website

- \* Update Fisher's website with a calendar displaying upcoming events.
- \* Upload photos so everyone can see our amazing time at functions.
- \* At the end of the year create a yearbook.
- \* Create a blog for those funny Fisher moments
- \* More games because who doesn't like games.

### Facebook

- \* Upload photos on the Fisher Facebook page
- \* Add weekly emails to our Facebook page, just in case you don't like your email.
- \* Set up times for group chats, those are great.

### Twitter

- \* Looking good

### Newspaper

- \* Every one will be required to write at least one article for the Fisher Scoop.
- \* I will create an excel sheet that will list what article you choose to write about
- \* I will not exclude anyone who offers to help or has an idea.
- \* There will be countless hours of editing and revising
- \* Current events and stories that are happening around the world.
- \* Encourage alephs to attend summer programs, bitker, and fall conclave with ads and interesting stories.
- \* Set goals to finish the newspaper so we are not behind

If you do not write an article for the Fisher Scoop I will hunt you down!  
You have been warned.
