## GOALS

### **Godol**

- ℵ Be at the office at least twice a week, more if necessary
- ℵ Have all programming (education and community service programs included) done at least 3 weeks in advance
- ℵ Try to only plan meetings more than 3 weeks in advance
- ℵ Finish the Constitution. It is a necessity to all chapters and it bewilders me that we have not completed this task

### **S'gan**

- ℵ Plan 2-3 programs a month to allow flexibility for other kinds of programming, which, in my opinion, need to be done more often
- ℵ Have an open date at the end of the month to reschedule with cancelled programs. If no program is cancelled, there will be an "easy" program, such as Capture The Flag or Leo's and Marvelous Marvin's
- ℵ Continue with programming traditions such as Chapter Convention, Super Bowl and Thanksgiving Leftover Dinner

### **Moreh**

- ℵ Have three different categories of education program that cycle every month: BBYO History, BBYO Process and General Education
- ℵ If the Moreh wishes, have a chairman to assist planning each different category so the Moreh may be able to focus on membership, which will be a major factor as the senior class leaves

### **Shaliach**

- ℵ Start community service hour merit system
- ℵ Jump-start community service promotion

### **Gizbor**

- ℵ 2 fundraisers pre-RC, an RC fundraiser and 3 fundraisers post-RC to ensure that our budget will be maintained in a timely and proper manner

### **Mazkir**

- ℵ Send out roster at beginning of the year and after recruitment of 8<sup>th</sup> graders to ensure that communication is one less thing anyone has to worry about

### **Sopherim**

- ℵ Along with the Moreh, hand out newspapers to prospective at their first program so the prospective gain a further insight to how Fisher works and put some use to left-over chapter newspapers

### **RC Coordinators**

- ℵ Be in communication with me at all times for any reason. RC planning is one of the most chaotic periods of time throughout the year.
- ℵ Have optional RC sports team practices at least once a week because I know many people consider the sports our weak point at RC
