My Brother Alephs,

As a region, we have not looked highly upon the position of Aleph Sopher. In order for us to keep growing as a region, and as a successful organization, we need to change our opinions. Every position on the board is important. This year under my leadership, we will respect and realize the importance of the Aleph Sopher on a regional level. Our newspaper will be outstanding with a lot of participation from the region. I have the necessary experience to lead you. For the past year, I have been a chapter Sopher. Not only did we have an awesome newspaper, but it took first place at Regional Convention. I am very hard working and ready to serve you, to make this year better then ever.

Fraternally submitted with undying love for Michigan Region/Great Lakes Council AZA,

I remain, Aleph Joshua Michael Breuer
