My Brother Alephs,

We have seen that we are capable of achieving a ranking of second place with our newspapers at Regional Convention. It is now time to take that Fisher pride and step up our game. It is time to take the first place prize. I am here to make this change, to give it all that I have to make sure that we have the best newspaper. Our website will be better than ever, more alive. Elect me as Aleph Sopher and you will have the best website and newspaper imaginable.

With undying love for Max Fisher AZA #337,

Aleph Joshua Michael Breuer
