I know I'm a freshman and I've never run for board before, but if you elect me as gizbor, I will be committed to my duties and perform them diligently, whatever they may be. It is very important to me that the chapter has enough money to function at the high levels we can reach. It is equally important that we have the money to donate to our Stand Up cause and make a good name for ourselves outside of just the BBYO community. This chapter has the people and the drive to exceed our goals; we just need to get out and do it.

Fraternally submitted with undying love for: dollars, shekels, dinero, euros, yen, yuan, pesos, lira, rubles, rupees, giant stone disks, gold, silver, cash, moolah, dough, bank, bread and my heart and home, Exodus AZA #2425 of the Ohio Northern Region #23, I forever remain Aleph Aaron Elijah Dobres.

# DOBRES 2012!
