

ALEPH JESSE HARRIS SCHOR

Aspiring for the High and Honorable Position of

The 87th Grand Aleph Godol

Membership

- ✧ Keep focus on the chapter level
- ✧ Continue consistent recruitment of two members per chapter per month
- ✧ Involve the "Focus Region System" and redefine it to effectively balance counterpart contact and focus on certain aspects of regions
- ✧ Create a system of separation to establish active members from non-active members
- ✧ Get entire boards involved in the recruitment process as opposed to only making it the Moreh's job
- ✧ Change the CLTC curriculum to focus on more specific chapter board position training
- ✧ Create a program called "iCLTC" to be held before IC for all recent CLTC alumni
- ✧ Spotlight transition of Teen Connection members into BBYO

Leadership and Involvement

- ✧ Work with International Boards to institute a monthly leadership development curriculum
- ✧ Build relations with Regional Field Staff and Regional/Council Boards to promote new, innovative leadership training
- ✧ Establish an Executive Regional Board Support Group, similar to the "Godol Sharing Space", intended to partner similar regions and further inter-regional development
- ✧ Broaden BBYO's growth in other overseas nations to further globalization
- ✧ Begin new Overseas Ambassadors programs to England and Ireland
- ✧ Establish small committees of dedicated Alephs in each region/council to build the reputation and establish an infrastructure of a new AZA community
- ✧ Enable every Aleph to enhance their leadership and involvement in the Order by lowering the cost of programming

Programming

- ✧ Organize and reformat the Program Bank to fit the Degrees of Programming in order to enhance chapter programming
- ✧ Utilize programming to establish AZA and BBYO as vital contributors to both secular and Jewish communities
- ✧ Incorporate the use of *Facebook events* to sign up for programs
- ✧ Improve upon simultaneous programming (AZAA, AZA Shabbat, Founders Day, Brotherhood Weekend etc.) by getting the full board and their counterparts involved so that Alephs across the order are uniting under excellent programming
- ✧ Educate Alephs on the 5 Folds to ensure full fold programming becomes routine
- ✧ Facilitate inter-regional programming to solidify our Order's sense of community at large
- ✧ Lead and launch "Program for Purpose"

Personal Goals

- ✧ Work with International Board to create clear and well developed initiatives that will further the impact of BBYO in **every** region
- ✧ Create a culture of constant communication with I-Board members, International Staff, and Regional counterparts around the Order
- ✧ Visit every chapter on my regional visits to ensure the grassroots of AZA are strong
- ✧ Publish a new release each month using counterpart input to create more relevant resources
- ✧ Hold a webcast to be held on *b-linked.org* serving as a "State of the Order" at least one time throughout the year other than States given at International Convention

My Brother Alephs,

It is no coincidence that the Jewish men who started AZA chose the Aleph to represent us. The Aleph means one, as it is the first letter in the Hebrew alphabet. When placed by itself it is silent, but when placed in a word, it changes the meaning completely. My brothers, I am an Aleph and I am proud!

Fraternally Submitted,

Jesse Schor
