PROGRAMMING

- ⌘ Get the opinion of the chapter, as to which chapters they want to function with, and plan programs accordingly.
- ⌘ Speak with the Godol and Advisor biweekly in order to keep communication working smoothly.
- ⌘ Plan a Chapter Kallah with the Shaliach, in which programs will be very exciting and Alephs will find their Jewish identity.
- ⌘ Plan functions with the Shaliach and Gizbor in order to create diverse programming.

EXECUTIVE BOARD

- ⌘ Ensure that Executive Board meetings run smoothly, and create a mixture of being productive and having fun.
- ⌘ Send out weekly Executive Board emails in order to increase communication between board members.
- ⌘ Have programs with the Executive board based solely on brotherhood in order to increase friendship on the board.
- ⌘ Hold biweekly conference calls with the board to ensure proper communication

COUNTERPARTS

- ⌘ Stay in weekly contact with my regional and AIT counterpart, on a basis of regional and chapter programming
- ⌘ Plan functions with my AIT counterpart in order to give him more experience with planning programs
- ⌘ Hold monthly meetings with my regional and AIT counterparts in order to keep each other on the same page
- ⌘ Plan a program with the regional S'gan. While planning these programs, I would attempt to involve the AIT S'gan in order to give him more regional experience.

My Brother Alephs,

Despite the fantastic past programming year, there is still room for great improvement. If I am elected as Aleph S'gan, I will plan programs that will strengthen chapter bonds which in turn will instill a renewed sense of brotherhood and community in Max Fisher AZA. In addition, I will reinforce the basic elements of developing Alephs by promoting the five folds of the Aleph Zadik Aleph. I will work with the executive board to make the 2011-2012 programming year the most fulfilling and exciting it can be.

Fraternally submitted with undying love for Max Fisher AZA #337,

I remain, Aleph Noah Emanuel Newman
