

The supreme quality for leadership is unquestionably integrity.
Without it, no real success is possible, no matter whether it is
on a section gang, a football field, in an army, or in an office.

I suppose leadership at one time meant
muscles; but today it means getting along with
people. -**Mohandas Gandhi**

Individual commitment to a group effort - that is what makes a team work, a company work, a society work, a civilization work.
~Vince Lombardi

The way a team plays as a whole determines its success. You may have the greatest bunch of individual stars in the world, but if they don't play together, the club won't be worth a dime. ~Babe Ruth

Together we can do anything. We need to work together because we are a team and we are only as strong as our weakest link. Fisher AZA is an exciting place to be. We need to dedicate ourselves to each being a part of that contributing fire that makes up AZA. Each member sitting here is just as important as I am or even more important because you are the members that give us our identity as a chapter and contribute to the Aleph Zadik Aleph as a whole. I want to help lead this chapter to greatness. We are a great chapter and I will make next year even better! That is a promise because I believe in you and I believe in Fisher AZA. Together we can do great things!

Fraternally submitted with undying love for the Michigan Region/Great Lakes Council AZA, Fisher AZA and Tony the Tiger, teamwork,
for the 2010-2011 programming year, I remain

Zachary Samuel Blumstein
