Aaron Novick for 64th Term Regional Aleph Mazkir!!!

Two MAJOR Goals

1. Forming a greater bond between brothers.

- a. We go to the region and meet dozens of new best friends but forget to get everyone's personal information down or we forget someone's name. No big deal, it has happened to all of us. However, there is a solution. As Regional Mazkir, I will make it a personal goal of mine to not only meet and know all of the AZAs, new and old, but also the BBGs as well. Additionally, I will work with the regional S'gan and S'ganit to allow for new members to meet more people in the region. I would also like to update the regional contact list and include pictures so a name is never lost.

2. The Alumni Network

- a. Every year, the graduating seniors talk about how BBYO has been such a big part of his or her life and say that they will be back as an advisor and will never lose their BBYO spirit. WHY then do we have only a couple of advisors? What happened to all of the past AZAs and BBGs? I believe the answer is that they have forgotten. As Regional Mazkir, I will personally locate and call up past members of each chapter willing to reconnect with their chapter in common cause to further brotherhood. These past members can share valuable information with the chapters such as past events, traditions, and even songs.
