

Alexis Sue Daniel

Aspiring to serve as Aviv BBG #2545's 6th Chapter N'siah

"If you have a heartbeat, there's still time for your dreams."
- Sean Stephenson

My Sister B'nai B'rith Girls,

Each one of us in Aviv BBG has our own unique identity, our own BBG heartbeat. The individual personalities of each BBG contribute to the chapters character. While we are all strong alone, we are even stronger together. Throughout this term, let's work together as a chapter and recruit new BBG's to join our successful movement, and create our own unique timeline. Almost 3 years ago, I started to create mine, not knowing the impact each and every one of you girls have on me. Once I was inducted into Westchester Region, I had my moment, the moment I fell in love with BBYO. The moment I knew I was able to make a difference in my chapter, now I am ready to help every girl start her own. This year is all about you girls, now, let's create the BBG timeline YOU want, and watch Aviv soar to new heights!

Respectfully submitted with undying love for Aviv BBG #2545, your BBG heartbeat, and all of you, I forever and proudly remain,
Alexis Sue Daniel

A damn proud candidate for your 6th chapter N'siah and an even prouder B'nai B'rith Girl
