My Sister B'nai Birth Girls,
4 years ago, I would never of seen myself being so passionate or involved with a Jewish organization. Now, BBYO is the center of my life. I am always looking for more ways to become a better leader or become more involved. My passion for this organization, council, and my chapter has grown bigger and bigger over time. I have learned so much about myself as well as grown as a person through my time in BBYO. I want to help other BBGs experience BBYO just as I have. NO Jewish teenager should ever miss out on this incredible organization. I want to help encourage teens to do more with their religion. We all are the future leaders of this world, and I want to help inspire and guide you all to great things. It all starts with the first program that gets a BBG hooked, to set the spark, to start their BBG flame. I would be honored to help impact those BBGs of Atlanta Councils first BBYO memory, help improve the programming, to keep BBGs engaged and passionate, and most importantly, I want to help keep you passionate and inspired every day. My B'nai Brith Girls, I know I can take this council past the limit, far beyond what anyone ever thought we could go. You have seen what I have done for my chapter, but now let me show you what I can do for this council and for your chapter. Together as one, we can reach heights we never knew were possible, together as one, we can go beyond the limits and accomplish the impossible. Respectfully submitted with an undying love for B'nai Brith Girls and Atlanta Council,

Aspiring to be your 68th Atlanta Council S'ganit

Counterpart Goals

To my future S'ganim Team, I promise to reach for the stars by...

- ★ Build a strong , close relationship with S'ganim counterparts through monthly calls , weekly emails, and semester sleepovers
- ★ Help chapter S'ganim plan a variety of programs so not every chapter program is based off of the same folds again and again
- ★ Have S'ganim all work together and help each other when planning programs. Encourage BBGs to share ideas and work amongst each other
- ★ **Have "BBG Chapter Program of the Month", to help encourage S'ganim to plan meaningful programs and share programming ideas from chapter to chapter**
- ★ Have S'ganim counterpart bonding sleepover once each semester
- ★ **Stress the importance of the 6 folds and help bring back the importance of the value behind basing programs around what we as B'nai Brith Girls were based off of**
- ★ **Help increase the Jewish aspect of programs as a whole to create more meaningful and religious based programming**
- ★ Encourage general member or MIT committees within chapters to help keep members active and engaged
- ★ **Attend at least 1 program per BBG chapter for the term!**
No matter the distance, during my term as S'ganit I will accomplish this.
- ★ Be a guide and help BBGs with planning creative, inspiring, and meaningful programs through constant contact and communication
- ★ Help take chapter programs beyond the 'limit' we are currently at by helping S'ganim think outside the box and think beyond the basics by providing them with resources
- ★ Encourage scripted outlines for programs so there is no room for confusion during the time of the event, and it is easier to share outlines within the S'ganim team so everyone can use each other's outlines as resources
- ★ Help S'ganim with any problems or conflicts, and be a person they can come to if they need help with anything

Council Goals

To all BBGs of this council, I promise to reach for the moon by...

- ★ **Raise more awareness of council scholarships. Money should never be the reason one cannot attend a BBYO event**
- ★ **Work on retention to keep older members active until graduation by setting a tone within the council that general members are vital to keeping our council alive**
- ★ Help increase attendance of Atlanta Council/Southern Region events by planning meaningful and fun programs
- ★ Increase the amount of programs we have pertaining to Atlanta Council's Standup! Cause
- ★ Encourage BBGs to attend summer programs by helping to promote summer programs
- ★ Strive for unity between Atlanta and Dixie Council

Personal Goals

- ★ Be a role model to all BBGs
- ★ Inspire younger members
- ★ **Display all 8 Menorah Pledge Principles proudly**
- ★ Help girls become passionate for their chapters, council, and BBYO
- ★ **Help BBGs continue to keep their BBG Flame burning brightly all 4 years**
- ★ Fulfill all promises and meet all deadlines
- ★ Reach out to all council members and make everyone feel welcomed at all council events
- ★ Be the absolute best I can be and give 118% effort
- ★ Keep in touch with International S'ganit to be up to date with the newest and latest initiatives
- ★ Grow a strong, close relationship with council board
- ★ Carry on the traditions and values of Atlanta Council BBG

S'ganit Goals

As my responsibility as Atlanta Council S'ganit, I promise to go above and beyond by...

- ★ **Make LTI an environment for everyone and advertise the convention as for everyone and not just chapter board members**
- ★ Have at least 135-140 people attend LTI (normally around 100 people attend) with the help of my counterparts through advertisements and a creative and meaningful theme
- ★ **Keep chair positions in the loop through monthly emails and engaging with them when planning conventions and Sunday at the J**
- ★ Have every Sunday at the J be different themes that everyone can dress up for each event (example: Sunday at the J Goes Groovy, Sunday at the J Hits the Wild Wild West). Have chair committees help plan them
- ★ Incorporate a local community service into each Sunday at the J (Tikkun Olam) to raise awareness of the needs in our local communities (bring 3 cans of food one Sunday, write letters one Sunday, bring 3 toiletries one Sunday)
- ★ Going beyond programming with S'ganim and reaching out to other positions and help give them ways they can partake in planning chapter programs
- ★ Work with Council Mazkirah to help promote events and provide her with all info about upcoming event. Help Council Mazkirah come up with cute and creative ways to increase attendance for council events
- ★ Work successfully with Council S'gan to plan successful, fun programs that fit for both BBGs and Alephs
- ★ Work with Council Sh'lisha to help incorporate more Judaism into council and chapter programs
- ★ Work with Council Gizborit to help come up with more creative ways to fundraise at programs and charge for council events, incentives to make people come/sign up
- ★ Work with Council Morah to help get BBGs to sign up for programs and to help with retention and recruitment for new members along with older members
- ★ Incorporate more sports related programs in BBGG
- ★ Emphasis importance of following districting zip codes to all BBG chapters to prevent conflicts and problems
