# Goals and Priorities

## Community & Social Action

### Reinstating a Community Service Award

- An award for the Chapter that has done the highest quality community service programming
- *Everyone enjoys getting awards; why not get an award for doing something worthwhile in your community*

### Education Behind Stand Up!

- Learning what Stand Up! is and how we use it is the best way to being able to incorporate it into our events
- *It isn't about the number of events a chapter has, quality is the key within all events. A successful Stand Up System can have as many as 7 events or as few as 3, both are good.*

## Judaism

### Making Judaism Applicable to all Alephs

- Even though the Torah was written thousands of years ago, there are still valuable aspects that we can apply to our lives and programming both in Chapters & The Region
- *Just like Alephs, the Torah talks about violence and sex*

### Diversifying Services at Regional Events

- A variety of services at Regional Events gives you the opportunity to pick what service you want to attend
- *This gives all Alephs the opportunity to participate in services and get in touch with their Jewish heritage.*

Fraternally Submitted with Undying Love for SLC AZA #84, Mountain Region #47 and The Grand Order of the Aleph Zadik Aleph I Forever Remain,
