### **My Brother Alephs,**

This past year has truly been my favorite year. I got involved in bbyo and I have loved it ever since. This got me thinking about how everyone in bbyo are connected to each other. I came up with the answer that we are all Jewish and if we weren't Jewish then none of us would be in bbyo. So I feel that we need to embrace and learn about what it means to be a Jewish teen in the 21st century. I will attempt to create innovative and new Judaic programs to instill the love of Judaism in Shapiro AZA.

I Forever Remain,  
Aleph
