Every idea I have that you will see and hear about supports one main focus: Create meaningful experiences for Jewish teens around the world

My Brother Alephs,

“Yesterday is history, tomorrow is a mystery, but today is a gift that’s why it is called the Present.” This quote displays possibly the most honest thing I have ever read, that living in the moment each day, minute, and second works to create greatness. That is why I’m standing in front of you today to make our order stronger, for every day I would be your 94th Mazkir. To ensure all 42 countries and 10 000+ Alephs to have a strong sense of brotherhood and a home. Reaching out is the first step of a journey, so let’s do it together.

Fraternally submitted with undying love for AZA, our movement, the 7 cardinal principles, and every Aleph in this room. I forever remain,

Aleph Roark Benjamin Weinrib Baker
