In this year, we won Regional Convention for the first time ever, grew as a chapter, and continued our tradition of brotherhood. As we prepare for the departure of the Seniors who led us to these victories, it is imperative we choose the right leaders to guide our chapter into the future. We must maintain our forward momentum with the correct leader guiding us to greatness. I believe I am that leader. Joining this chapter was the greatest decision of my life, the brotherhood was visible and impossible to miss. Recently, the foundation of our chapter, this brotherhood has dwindled. My love for this chapter is incomparable to anything I have cared for in my life, with that love and knowledge from all over the order I will reignite our brotherhood. With me, Aleph Nathan Rauthort Baron as your 25th Aleph Godol I can promise you the Brotherhood will return.</p> <p>Fraternally Submitted With Undying Love for Hank Greenberg AZA #151, and each and every one of you my brother alephs.
