HOW I CURRENTLY HELP THE CHAPTER

Currently, I have contributed to the chapter by encouraging everyone to attend programs, meetings, and fundraisers. I also consistently put all programs on the GroupMe calendar so that everyone has knowledge of addresses and other info. In addition, I always do my best to make sure that everyone is comfortable and excited to attend programs and events all while keeping a smile on my face.

MY BROTHER ALEPHS,

Now is the time. Now is the time to be game changers. Now is the time to revolutionise how we fundraise. Now is the time to show this council what SDJ is truly made out of. Sammy Davis Jr. AZA #2567 is a chapter that deserves to be taken seriously. In order to be seen in this way, we must show the council what innovative fundraising looks like. This term, join me in ushering in a new era of AZA treasury.

Respectfully Submitted, I remain,

Aleph Joshua Louis Stein, Proud Candidate for
your Spring Term 2019 Gizbor.
