

My sister B'nai B'rith Girls,

Look how far we have come this past year. A new BBG chapter and two new AZA chapters and we are only moving forward from here. We should take this opportunity to share this great organization BBYO with all other Jewish teens around us, to make our dream into a reality.

Over the next year I will enhance the programming around our region so we will be able to continue growing and keep the momentum that we started with last year. As Regional S'ganit I will give every second of my time and every fiber of my being to help make this region and the members within it the very best and happiest they can be. I will not stop until our dream is realized and accomplished!

Submitted with undying love for Miami Region #53, N'shamah BBG #2441, and all my beautiful fellow BBGs,

*I remain, Liza Gail Kanter
