Isn't it time we stop judging the book by its cover? In my past two and a half years in Ruach, I've learned leadership skills, discovered who I am, and most importantly met the people I call my best friends. This chapter has given me so much. I want to spend my third year on exec board as Katvanit because I want to give Ruach something in return for what it has given me.

With Undying love for minutes, creative minutes, beaus, summer programs, and all of you,

I remain Michelle Sarah Betman
