Goals and Ideas

Improve AZAA:

- Hold programs on regular Wednesdays
 - Sports
 - Game Shows
 - Gaming
 - Easy accessibility brings more attendance
 - Increases AZA interactions
- Have ongoing competitions
 - Chapter vs Chapter fantasy leagues
 - Not letting AZA bonds be confined to programs

Improve Feedback

- Creating a feedback system
 - Google form
 - All submissions will be brought to regional board's attention
- Tweaking Officer Reports
 - Give open floor time to each president
 - Allows for chapters to explain their position and their struggles to rest of the region

Improve Holocaust Education

- A Story A Month
 - Once a month, educating alephs and sharing a survivor's story
 - Getting each chapter to share these important stories
 - Expanding the region's commitment to holocaust remembrance outside of Holocaust Education Week

My Brother Alephs,

It's been a long road to get here, but it's a road I would take 100% of the time. No task is too large, no challenge is too big. I'm here to put my all into giving back to a community which has given me everything these past three years. Fraternaly submitted with undying love for, Magen AZA #2360, Lake Ontario Region #36, The Grand Order of the Aleph Zadik Aleph and each Aleph who gives my life meaning. I forever remain Aleph Ethan Benjamin Rubin Breslin, the proudest Aleph there is. *Ethel*

Chapter Focuses

Achim

- Keeping up chapter excellence by providing support when needed and using chairs to push emerging leaders

Dayan

- With the help of regional staff, using LOR's resources and reach to revamp the chapter to its fullest

Exodus

- Ensuring they stay true to themselves while branching their programs out through innovative ideas and locations

Koach

- Through more AZA programs, integrate this growing chapter better into the region

Magen

- Creating continuous engaging programming to inspire new leaders

Hamilton

- Continuing to work with Jack to build upon the strong foundation he has set
