My Sister B'nai Brith Girls,

When you want to make a big change, or achieve something monumental, the intensity of your actions has to match the size of your goal. Great things are not accomplished by taking baby-steps, they are accomplished through LOUD, UNBREAKABLE determination and the actions that follow. As your 52nd N'siah, I will work, my hardest, to ensure we are achieving monumental things. I promise to work individually with each and every one of you so that your experience in Shapiro BBG and BBYO is something that you will carry with you for the rest of your life. This term, we will skip the baby-steps. We will come together to revolutionize Shapiro BBG. We will place a much greater focus on the sisterhood and passion we have for our second family. We will dare to be extraordinary in all that we strive for. And we won't do it quietly.

N'SIAH

"Then it hits me... Maybe we're the pieces... Maybe that's it... Maybe it isn't that we're supposed to find the pieces and put them back together... Maybe we're the pieces... Maybe, what we're supposed to do is come together. That's how we stop the breaking" – Nick and Norah's Infinite Playlist
