## Ideas / Explanations

## My Brother Alephs

### Communication

If elected to Regional Mazkir, I would implement an efficient new way to get information out to the region. I think it would be beneficial to everyone to start using a monthly calendar for upcoming events. This calendar would have color coded events so it's easy to see the necessary information. In order to make the calendar even more fun, it will have interesting facts such as ONR birthdays, historical events for that day, and other random facts. I would also continue to use current forms of communication such as email and Facebook. If elected, I want to be sure to do everything in my power to keep the Alephs of this region well informed.

### Counterparts

As Mazkir, I want to make sure all of my counterparts are meeting and exceeding their goals. I want to get in contact with them about their progress every other month. It's important to me that all of the Mazkirim and Sopherim know that I'm always willing to help them and if they need anything, I will always make myself available. To motivate them even more, I would give out rewards for getting a certain number of people to a program, for example taking them out to dinner or buying them a gift card. I would also be sure to help every chapter's Sopher by helping them make newspapers along with helping them get people to write articles for their newspapers. I want to make sure I do everything in my power to ensure success for the Mazkirim and Sopherim of ONR.

### Newspapers

For the upcoming year, I plan on releasing 5 newspapers, one for each convention. I want to make sure that these are longer and better than ever by rewarding people who write articles. At each convention, I would do a drawing of everyone who wrote an article for that convention and the winner would get a gift card. Then at RC 2016, there will be a big raffle with many prizes. And even if you don't win any of the gift cards, just like the snack for people who recruited a member this year, everyone who wrote an article would get a pass to a special exclusive program and snack during RC. This would ensure maximum participation in the ONR newspapers. I would also like to include a fun game about ONR, like a crossword puzzle, in every newspaper.

Hi, I'm Chad Adelman. I'm currently a junior at Solon High School and a proud Aleph of Exodus AZA. Thank you for reading over my platform and considering me for your 25<sup>th</sup> Regional Aleph Mazkir. I am running for the high and honorable position of regional Mazkir because I want to make a difference in ONR. I came to my first BBYO event over 3 years ago. At the time I thought it was just a bunch of Jewish teens hanging out but I soon realized that there is so much more involved. I realized what a life-changing opportunity this is, and how much the older members inspired me. After this realization, I knew I wanted to inspire younger members the way older members inspired me. This region has given me so much and I would love to give back by being the best Regional Mazkir possible!
