Fraternity

☆ Revamp the Big Bro/Lil Bro System

No Man is an Island—Allow **anyone** who wants it to be assigned a **little brother** instead of just one per AIT. This will allow more **inclusion** for the upperclassmen and more **role models** for the AITs.

Battle of the Bros—A project where Bigs and Littles **compete** with each other in different events and tasks to **bond** as brothers.

Support the Bigs—It seems like many big brothers in the past did not know how to **properly include** their little into the chapter. I would like to make a **guide book** of activities and other **resources** to ensure everyone knows exactly what to do.

☆ Introducing the “Brogram”

Revolutionize the Frat Night—Frat nights should not always just be chill nights because we have nothing better to do. I want to work to provide **innovative and creative** programs at frat nights that can **engage all members**.

Beyond the Household—Why not take frat nights **somewhere else**? What about a **pickup basketball game**? Or **Broomball**? Or go to a **Texans game**?

LARPING IN THE PARK! The possibilities are **endless!** My first duty, if elected as Moreh, will be to plan the greatest pickup event ever... preferably with **BUBBLE SOCCER!**

Retention

☆ Constant Communication

A Chapter Effort—It can be hard for just anyone to get a **member active** again, sometimes it takes a **specific person**. If elected I will **target inactive members** and find their **active friends** to assist me in bringing them to events. To do this I will provide **incentives** such as **food**, recognition, favors and more!

☆ Engagement

Inactive Member-Led Program—Inactive members will feel much more **important** and feel as if they have an **obligation to the chapter** if they are **included** in the **planning and execution** of a program. I want to create one **fully inactive member-led program** to get these teens back involved.

Give them a Little Brother—By giving inactive members a little brother in the chapter, they will feel as if they have a **purpose** and will **want to attend projects**.

Education

☆ From the Start

The AIT Book—As they enter Reisbord and become AITs, our freshmen will each be given the **Randy Reisbord AZA AIT Book** with **extensive information** about not only our **chapter**, but also the **region** and **BBYO** in general.

☆ Create Resources

Reisbord Platform Database—In addition to **exposing** the AITs to the **Fisher Platform Database**, I would also like to create **Reisbord's own platform database**. With the **implementation of electronic platforms**, I will be able to create a **Google drive of Reisbord's own platforms** to give new members an idea of how Reisbord conducts its elections.

Embedding Education—I would like to implement a short **educational period** into **projects** and **meetings** where we can **teach** all new members, and those **eager to learn**, a **topic of BBYO**.

☆ Get them Involved

Master AIT 5 Fold Program—I would like to work with the **S'gan** and **incoming AITs** to plan an **incredible 5 fold program**, allowing them to understand a **vital aspect of BBYO**

My Brother Alephs,

I have spent the last year and a half an active member of the **greatest chapter in the order, Randy Reisbord AZA**. I have found a **new home** among the Alephs of this chapter and am now committed to ensure that **every member** feels as though they've uncovered an immensely **strong connection with BBYO**. It's time to ignite every Aleph's love for this organization and experience how it feels to be part of such a **strong chapter**. I have seen us **constantly improve** without decline and plan to continue this trend if elected as Moreh. **My goal**, if elected, is to **lead Reisbord's AIT class** and the rest of the chapter to its **greatest potential**, just as those before me have done to make my time in **BBYO so wonderful**.

Fraternally submitted with undying love for Randy Reisbord AZA #1935, Lonestar Region #73, Achva AZA #3030, and the International Order of the Aleph Zadik Aleph,

X *Aleph Jason Patrick Levine*

I forever remain,
Aleph Jason Patrick Levine
