My FELLOW B'NAI B'RITH GIRLS,

Becoming a member of L'dor Vador is one of the best decisions I have ever made; if elected, I will do everything I can to make every member feel the same way. I will work to make every member feel welcomed from the moment they join to the moment they graduate. I will make sure that every program is engaging, every member is involved, and every girl feels damn proud to be a BBG. I will focus on setting up chair positions early in the year to train these members to run for board and encourage them to step out of their comfort zones and take on a leadership position. I will also make sure every girl feels like an important part of our sisterhood. To do this, I want to organize more frequent sleepovers and pair up every new member with a Big Sister to bond with and look up to. To me, L'dor Vador has become the Happiest Place on Earth, and I will do everything I can to make sure every member feels this way.

Submitted with undying love for Disney, L'dor Vador, Manhattan Region, and all of you,

SADIE REIMER SHERMAN
