

My Sister B'nai B'rith Girls,

We are going places. We have the potential to be incredible; we just have to get there. We must drive down the road of hard work and determination to reach the endpoint of success. As N'siah, I will make it my priority to stop at every exit along the way. These exits are the goals, dreams, and aspirations of not only the board, but of each and every member of this chapter. Each exit we stop at will contribute to this chapter in one way or another. We will learn from every failure. We will celebrate every achievement. This term we will do amazing things; our drive will have paid off. My Sister BBGs, we are going places.

Respectfully submitted with undying love for Kesher BBG #2506, Gold Coast Region #51, the International Order of the B'nai B'rith Girls, CLTC 3 2013, and going

I forever remain,
