"Make your own kind of music; sing your own special song, even if nobody else sings along"

Damn Proud Candidate for your Fall 2013 S'ganit

Lots of words make up the lyrics of the BBG song: chapters, regions, conventions, sisterhood, Judaism. The six folds of programming are the music that holds all of these lyrics together. Without programming, we wouldn't have the amazing programs, conventions, and summer programs that keep your BBG melody playing. Whether you've just started listening to the BBG song or have been hearing this melody for a long time, we can ensure that each and every one of us enjoys the sweet music that is BBYO.

Respectfully submitted with undying love for Keshet BBG #2506, GCR #51, the International Order of the B'nai B'rith Girls, and the BBG melody in my heart

I remain,

My Sister B'nai B'rith Girls,
