My Sister B'nai B'rith Girls,

Just as the perfect burrito requires every ingredient to make sure it tastes delicious, a successful chapter requires all assets to make sure that it functions properly. Tikvah would not be the same without the individuals that make our chapter unique and allow it to thrive as so it currently does. So let's make this term about the people, or ingredients, who make up our amazing chapter! Let's make this burrito the best one yet!

Submitted with undying love for
Chipotle, the perfect burrito, CLTC 6 2016,
Perlman Summer 2017, and all of my
Tikvah sisters,
I forever remain,
Jordan Miriam Leder
Proud and honored candidate for your
Spring Term N'siah
