COMPLIMENTS OF "JAYME'S MARKET"

**COME STROLL THE AISLES WITH  
JAYME ANNA COHEN  
AS YOUR  
SH'LICHA CANDIDATE  
FOR THE 1996-1997  
PROGRAMMING YEAR**

My Sister B'nai B'rith Girls,

As we tour "Jayme's Market," we are faced with many decisions: what departments to browse in, what items to purchase, and who we should elect as our head manager. Today, I have stood before you with my goals and ideas for the position of Sh'licha. I have also pledged to you that if elected to this position, I will provide complete customer satisfaction and fresh, wholesome enthusiasm for the 1996-1997 programming year.

With love for the B'nai B'rith Girls,

*Jayme Cohen*

**JAYME ANNA COHEN**

## **"JAYME'S MARKET"**

### **HEAD CASHIER (Big Sister)**

- Maintain communication with my little sister chapter(s) N'siot on an ongoing basis and attend a chapter meeting at least once a month.
- Be enthusiastic, share ideas, inspire and be available to help the chapters succeed.
- Keep my little sister chapters constantly educated and informed about what is happening on the Regional level.
- Be the active link between Ann Arbor, Winsor, and the Detroit area.
- Offer my house as an alternative for out-state members to sleep to encourage them to attend regional and chapter events.

### **CO-MANAGER (Being a Counterpart)**

- Be sure that we are jointly responsible for the success of our assigned tasks by mutual cooperation.
- Respect each others' ideas and advice.
- Create a system between my counterpart and myself regarding visiting and assisting Wallenberg BBYO.
- Communicate constantly with all chapter N'siot, S'ganiot, and Community Service and Social Action chairwomen to bring the position of Sh'lichah down to the chapter level.

### **EXECUTIVE STAFF (Regional Board)**

**As a member of the Michigan Regional Executive Board, I will give 100% of my time, devotion, and love to B'nai B'rith Girls. I believe my ideas and willingness to work will be an asset to the Board. I plan to faithfully attend and participate in all Regional events, conclaves and meetings. I hope that my enthusiasm for BBYO will serve as a model for all BBGs.**

*, Jayme*

# **FOOD FOR THOUGHT**

## **FROM THE AISLES OF "JAYME'S MARKET," WE PRESENT GOALS AND IDEAS DEVELOPED TO ENHANCE THE POSITION OF SH'LICHA.**

### **Produce Department: Communicate with our out-state chapters**

- Call the N'siot weekly to offer assistance and/or give updates on all upcoming events
- Attend one meeting/month of each out-state chapter
- Promote housing to give out-state members a chance to attend all regional events. This can be accomplished by announcements at Council meetings, e-mail, phone calls. Jayme's Market will also award gift certificates through the year to individuals who house.
- Develop a committee to work with Yachad and Herzl to re-evaluate the Beauheart Dance
- Ensure that all out-state chapters begin to actively function and communicate with all other N'siot
- Present a short "Get-to-Know" Us Program at Counterpart Seminars to introduce out-state chapters
- Update the BBGs at Council meetings of out-state activities and encourage all chapters to function with them

### **Deli Department: Promoting Actively Concerned Teens (ACT)**

- Ask each chapter to elect their Social Action Chairwoman by October 31, 1996 so we can begin our ACT orientation early
- Meet every chapter early in the year to introduce myself and the position of Sh'licha. Also, give an overview of Actively Concerned Teens. Ask chapter members to give serious consideration to Social Action
- Prepare 3 ACT workshops during the year for chapter N'siot, S'ganiot and Social Action chairwomen
- Include a social action admission fee (i.e., penny harvest) at every regional event
- Disseminate timely information on local and national social action programs
- Discuss a specific program relating to Actively Concerned Teens for every Council meeting
- Plan a major regional event involving a new social action group
