

# GOALS & IDEAS

## Flattening the Order

- ♥ Council Board
  - ~Everyone on council board is equal
  - ~Each position has the ability to help better the council; however your position does not define your ability or your success
  - ~The **only** way to achieve success is to have everyone on council board work together
- ♥ Council
  - ~ Members are equally important to the council whether they coordinate or steer a program or just attend and participate
  - ~Age does not define you're quality or your capability as a leader
  - ~Each member in the council can be a leader
- ♥ Chapter
  - ~ Whether your on board or not **doesn't** define your capability nor your importance
  - ~Each chapter member's talents are different and serve a different yet equally important purpose to your chapter

## Regional/International Presence

- ♥ Attendance
  - ~Inform the Council **MUCH** earlier about conventions and events as well as scholarship opportunities to help raise our attendance at Regional events
- ♥ Leadership
  - ~Take the amazing leadership, passion, and ability within our Council and use it to help strengthen our presence in NRE
  - ~Encourage more members to steer and coordinate conventions to show the region our strengths
- ♥ Regional Unity
  - ~Continue to build regional unity by working with the N'siot and Godolim of NoVa and DC
  - ~Inter council events on the chapter level

## Strengthening Chapters

- ♥ Execs
  - ~Have executive board members work one on one with each elected chapter board counterpart at the start of the term as well as having group execs
  - ~Dual position Execs to help improve cohesiveness on chapter boards
- ♥ Inter Chapter Programing
  - ~Each chapter works differently; by encouraging inter chapter programing those chapter leaders will be able to work together and learn from each other to ensure successful chapter programing
  - ~Encourages attendance for new members when there are many girls attending
  - ~Inter Chapter programing will work to strengthen sisterhood within the council

## COUNTERPARTS

- ♥ Regional
  - ~Work together with the Godols and N'siot of DC and NoVa council to create the most effective RLTI
  - ~Continue strengthening regional unity by setting an example and uniting
- ♥ Godol
  - ~Maintain constant communication to ensure the council runs smoothly
  - ~Work together to help fix any problems our council board or chapters encounter
- ♥ Chapter N'siot
  - ~Create a sharing space for all the N'siot to help one another with their issues and to congratulate each other on their successes
  - ~Additionally have bi monthly coffee meetings with each chapter N'siah to set goals and discuss the past few weeks

Reach for the moon, if you happen to miss you'll fall amongst the stars

MY SISTER B'NAI B'RITH GIRLS.

THIS PAST YEAR BALTIMORE COUNCIL HAS TAKEN TREMENDOUS STRIDES IN IMPROVING OUR MEMBERSHIP, PROGRAMMING EXCELLENCE AND SISTERHOOD. HOWEVER, WE HAVE THE POTENTIAL AND THE PASSION TO RISE TO EVEN GREATER HEIGHTS. HOW YOU MAY ASK?

CLOSE YOUR EYES,  
TRUST YOURSELVES,  
and take a chance

That is exactly why I am standing before you today caucused for the high and honorable position of Baltimore Council N'siah. I see the growing potential within our council, in each chapter and especially in every single one of you, the BBG's of the incredible Baltimore Council #59.

What goals did you set this term that felt so out of reach you left them at the drawing board? What convention did you want to steer but felt the competition was out of your league?

**"We only regret the chances we didn't take"**

This year is our time to take that leap of faith. Step out of our comfort zones and show the region and international orders but most importantly ourselves just how great we can be. This is the year to take chances and try new things. This is the year to prove to everyone that Baltimore Council is not only alive and well, but also strong and here to stay. Most importantly Baltimore Council BBG's.

**THIS IS OUR YEAR.**

Submitted with undying love to a year full of taking chances  
I forever remain,

Dana Goldenberg, Proud Candidate for Baltimore Council N'siah
