2017-2018: Pilot

My sister B'nai B'rith Girls,
Each program is like an episode of this amazing show called BBG. We, the B'nai B'rith Girls, are the characters who make these programs possible. And every year is a new, unique season. Programming is the base of everything we do. We use it to inspire prospects, to reengage old members, and to keep all of our BBG Heartbeats going strong. Without it, our events would be unstructured and would lack the energy that is intrinsic to the B'nai B'rith Girls. It helps us to strengthen friendships and have the amazing experiences that shape our time in BBYO. I want to help YOU create unforgettable, game-changing programs that raise the bar for years to come. I want our programs to be unique and to expand the definition of what a program can be. But more than anything, I want our programs to encapsulate what it means to be a BBG. Submitted with Undying love for Netflix, music, programming, GJHRR, BBYO, and all of you, I forever remain

a damn proud candidate for your 2017-2018 Northern Council S'ganit

"The opposite of love is not hate, it's indifference.
The opposite of art is not ugliness, it's
indifference. The opposite of faith is not
heresy, it's indifference. And the opposite of life is
not death, it's indifference." - Elie Wiesel
