THE MAGICAL REGION OF COTTON STATES

ASHLEIGH JORDYN ATTIAS

CAUCUSING FOR THE
HIGH AND HONORABLE
POSITION OF

FOUR
REGIONAL N'SIAH
2015

MY SISTER BBGS,
2015 WILL BE ABOUT HARNESSING MAGIC INTO FOUR CHAPTER,
FOUR REGION, AND FOURSELF, EVEN BEYOND THE BOUNDS OF
BBG. DREAM BIG AND ACT WITH IMPORTANCE, AND TOGETHER WE
WILL BRING THE MAGIC TO CSR.

GOALS AND IDEAS

YOUR 2015 R-BOARD

Flatten the board: Every position is equally crucial for the success of the board.

Concentric Goals: Every position works together to set goals that align and feed off of each other

Travel: During at least one point during the programming year each chapter has at least one regional board member in attendance. If travel must be done, it will be.

Excellence From The Ground Up: Basics will not be discarded. Every job and task will be treated the same so that we can build strength on all levels of the region.

AZA R-board: Work with AZA counterparts in order to accomplish joint tasks for the greater good of the region as a whole.

COUNTERPARTS

ONE ON ONE RELATIONSHIPS

I cannot emphasize this enough. A counterpart is more than an email or a text. We must build personal relationships with our counterparts. It is crucial that each regional board member truly connects and stays in contact with their counterpart. This can be accomplished through organized calls and video chats. But, this is a reciprocal relationship between both the regional and chapter counterpart.

COMMUNICATION

Strong communication is the foundation for a strong, united, informed region

-Set up a regional website that includes:

1. A regional blog to keep members informed on what the board is up to
2. A page to highlight members and chapters

CHAIRS/ COMMITTEES

Chairs and Committees are the best way to allow members to be involved in regional leadership

-IC 2015 Liaison

-Safranit taking on regional Social Media

-Programming and Stand UP/Speak Up committees creating monthly regional releases

Step out of the comfort zone

"YOU CONTROL YOUR DESTINY – YOU DON'T NEED MAGIC TO DO IT. AND THERE ARE NO MAGICAL SHORTCUTS TO SOLVING YOUR PROBLEMS." – MERIDA, BRAVE

"VENTURE OUTSIDE YOUR COMFORT ZONE. THE REWARDS ARE WORTH IT." – RAPUNZEL, TANGLED
