**My brother alephs: In the past two terms, Exodus AZA has reached new heights in community service involvement. With 5 community service programs last term, including 15 attendees at JServe, and 19 members at the Holocaust remembrance program in April, we set the standard for other chapters to follow. *Yet there is so much more we can do.* The job of shaliach goes beyond community service, and to not use that potential would be missing a chance to improve as a chapter, improve the Order, and improve as people. This work can in no way be done alone. Allowing the job to be open and engaging to general members is something I will make a priority if I am elected. If you want to make a difference, then I am the man for the job.**

Fraternally submitted with undying love for community service, social action, Judaism, havdallah, Stand Up, Speak Up, S/S 2013 board, and my heart and home, Exodus AZA #2425 of the Ohio Northern Region #23 of the Grand Order of the Aleph Zadik Aleph, I proudly remain Aleph Aaron Elijah Dobres, fall/winter 2013-14 aleph shaliach candidate
