I love Ruach BBG # 83. I have since the day I joined and have never stopped. There's nothing I wouldn't do for any of you, I consider each of you my sister. With this position, I hope to share my passion for BBYO and ultimately bring all of you closer to accomplishing your dreams in this organization and bring us all closer together as sisters. So, what are you waiting for? The rocket's leaving, and it's aimed directly at the moon. Let's shoot for it together.

With so much undying love for the Blue M&M, sisterhood, MITs, seniors, and every other girl proud enough to call herself a Ruach BBG, I remain,
