My Brother Alephs,

Fall Conclave is already an incredible program. It's a weekend at Tamarack with all of Michigan Region where we can have fun and bond with each other. There's no caucusing or elections, just fun programming and hanging out with the region. Past Fall Conclaves have been great, but they can be even better.

If I am elected as Fall Conclave Coordinator, I will guarantee that we have great programming and an awesome weekend. I will promote Fall Conclave to the fullest potential to insure maximum attendance. I will work with my BBG counterpart to make Fall Conclave 2012 the most exciting program of the year.

Fraternally Submitted with undying love for Michigan Region,
I remain,

Aleph Joseph Alexander Freedman

(*Denotes will be attending or will be applying for)

Goals and Ideas

General Goals for Fall Conclave

Fall Conclave is a great weekend at Tamarack with no elections or competition. It's strictly fun. Fall Conclave will be as fun and meaningful as possible. Incorporating great programming and utilizing all resources will make it the best Fall Conclave yet!

- Communicate and work well with my counterpart to insure planning is as efficient as possible
- Promote Fall Conclave in every way to maximize attendance. Tweets and Facebook statuses simply aren't enough. Personal phone calls makes people feel wanted and encourages them to come to events
- Appoint a steering committee to allow for different viewpoints and ideas to plan the best programs
- Work with the office and Regional Gizborim to make sure Fall Conclave is as inexpensive as it can be
- Be open to all ideas
- Create a cool spirit wear item that everyone will want to wear

Regional Unity

Coming together as one Region for conclaves is incredible. When everyone feels the unity of the Region, they will want to continue coming back. Unity is what holds us together and Fall Conclave is a perfect opportunity to take our Region's already strong unity and make it even stronger.

- Work with the dorm leaders help promote Brotherhood/Sisterhood in their dorms
- Have fun social programs that involve teamwork to allow for the opportunity for everyone to work together
- Utilize the fact that we are all together for Havdallah and make a unifying program to go along with Havdallah
- Help the Regional Godol to plan a meaningful Separates program

Programming

Programming is the core of the weekend. At Fall Conclave we have the opportunity to plan many programs. This also allows us to have many different kinds of programs as well. Utilizing all of the folds and resources we can, programming at FC will be the best it can be.

- Work with the Aleph S'gan to plan the best programs possible
- Plan diverse programs using all of the folds
- Utilize speakers for programs when necessary
- Appoint a steering committee to head programming
- Have a cheer learning session for the new members that don't quite know all of the AZA/BBG cheers yet
- Make sure programs are fun/meaningful and well thought out
- Revamp the dance to make it more enjoyable and get people to participate instead of staying outside

Theme's help to make conclaves even more fun because they are something for everyone to relate to. Programming and apparel can be related to the theme. The theme can also be used in advertising and make more people want to come!
