My Brother Alephs,

This past year has been amazing. We have raised a significant amount of money and just this past weekend donated \$500 to Stand Up, while all other Michigan Region chapters donated \$80 or less. Our Fisher Chapter sets a high standard for the rest of the region in everything we do. We are an amazing group of people with passion for helping others and I am proud to be a member of this chapter. As the chapter's Gizbor I pledge to work hard to continue our great tradition of helping people in our community. My goal is to make our chapter an even bigger contributor to many important social action projects such as Stand Up, Red Cross, IDF, JARC, and Friendship Circle.

I am a firm believer that together we can change the world and continue our great tradition by being the chapter, which makes a difference (הבדל את שעושה פרק).
Fraternally Submitted with Undying Love For Max Fisher AZA #337
